

Council Library

Since its inception the Jammu and Kashmir Legislative Council has developed a library which has become very good repository of the knowledge owing to the taste of the Legislators from time to time. In view of the move of the offices with annual Darbar it has two wings one at Jammu and one at Srinagar and every title of the book as such acquired is procured in duplicate to keep a copy at both the places for the convenience of the users that is primarily the Hon'ble Members of the House and Staff of the Legislative Council Secretariat. The acquisitions are made keeping in view the requirements of the users and the thrust area for the selection and acquisition of the books is the Reference, Law, History and Politics which are requisitioned by the legislators from time to time. Besides, a good collection of the generalities has been also developed to serve the leisure needs of the users of this Library. Efforts are on to modernize the library with the use of information technology to get maximum utility for the members of the House and serve them in a better way. The House has given due consideration to the Library and a Library Committee is there to supplement the Library with their valuable suggestions for betterment of the services.
